## SHOPPING IN **GASLAMP** ANTIQUE & DECORATING MALL

The great thing about GasLamp is that you can wander around all day, searching through booth after booth of fabulous finds. But if you're on a mission for vintage duds, you can't do much better than **Libby Callaway's** booth, **Flora**. The former *New York Post* fashion editor takes her experience in the high-end fashion arena and uses it to all of our advantage.

Look for good patterns and impeccable style over labels, but don't be surprised if you stumble across a **Chanel** jacket, **Guo** stilettos or **Betsy Johnson** from her punk era.

*Libby Callaway parlay's her professional styling experience into finding just the right stuff for Flora.*

**Flora**, GasLamp Antique & Decorating Mall, 100 Powell Ave. #B-220, 297-2224.
